煩請按下列要求報價：

No.	Item / Model / Description	Qty.
1.	Supply and Install CAT6 LAN Cable from PTB North Extension Mezzanine Level to the nearest ELV Room 	1

Remark:

1. The installer shall provide all the cable, ducting or materials necessary to complete the end-to-end connection between the Key Management System (KMS) cabinets to the nearest KMS network switches.
2. The network cable shall meet the standards according to the attached CAT6 cable specification sheet.
3. All network cables shall run along the existing network infrastructure cable tray or ducting above the false ceilings. When there is no existing or available cable tray or ducting, the installer shall install on its own. The network cables between the false ceilings to the KMS cabinets shall be installed into PVC conduit with color matching the surrounding environment.
